Right Heartily and Beloved  
Father, I recommend me  
to thee, letting thee  
know I am doing  
exceedingly well! Though I  
miss thee and my beloved  
sister, Alyssand, I am so  
excited. I have been  
learning so much magic,  
thou wouldst not believe  
thine eyes. I am good.  
Honest. I swear to thee,  
that's what the Mages  
here are saying. 'Tis fun,  
but frightening as well. I  
am a dedicated student,  
Father, thou canst be  
proud of me. And  
Alyssand, too. I miss thee  
so much. Thou shouldst  
visit. The Palace is a  
sight to see. Gorgeous!  
These Mages are  
incredible! Learning how to  
be a Mage is not easy,  
but I love it as much as  
I miss thee. Thou art on  
my mind everyday. I hope  
to see thee soon.

Eternal  
love, Freli
